PUBLIC COMMENT
Marcyl Seidscher, San Mateo, said she is president of the 58 El Camino Condo Association. There are 58 families who live at the complex at El Camino Real and Saint Matthews Avenue. She sent a letter to the Board on July 23 outlining concerns with the rerouting of Route 250, which historically has turned the corner at El Camino Real and Baldwin. In January 2012, Route 250 was temporarily rerouted one block north to Saint Matthews Avenue. This has created congestion, traffic issues and substantial noise and pollution on a previously very quiet street, she said. Ms. Seidscher said she was told the buses will be relocated in January 2014 and urged the Board to instruct staff to not let rerouting go beyond January 2014.

Laurie Livingston, St. Matthews Place Homeowners Association, said she supports the previous speaker. She said it is impossible to turn into St. Matthews Place if you are coming up San Mateo Drive and a bus is there.

Chuck Harvey, Deputy CEO, said this issue has taken much longer than staff hoped. For some time buses operated on Baldwin, but that created some other operational and safety issues related to blocking traffic. The city of San Mateo gave staff permission to use Saint Matthews Avenue, but at the same time staff was asking for a new terminal point. A letter was issued on July 22 to all residents located in the 5th Avenue area showing a new terminal location by the 24 Hour Fitness facility. In order for the bus stop
to be moved it requires a notification period to the residents. Residents have until August 16 to reply back with any concerns. Mr. Harvey said to-date no comments have been received. If staff is not successful in moving to the new location, staff will reassess the routing of the bus to not use Saint Matthews Avenue or Baldwin.

Jerry Grace, San Lorenzo, asked if any help can be provided if there is a Bay Area Rapid Transit strike to get people where they want to go.

David Miller, Legal Counsel, said as permitted by the Brown Act, the Board will meet in closed session to discuss union member ratifications on agreements previously approved and a follow-up report from Mr. Scanlon from his evaluation last fall.

Meeting adjourned to closed session at 3:52 p.m.

Meeting reconvened at 4:05 p.m.

Mr. Miller said the Board met in closed session as permitted by the Brown Act. He said agreements have been reached with Teamsters Union, Local 856. This union represents bus instructors, bus transportation supervisors, dispatchers and radio controllers. At the June 5 Board meeting the Board authorized the General Manager/CEO to enter into new collective bargaining agreements once the represented employees ratified the contracts. Mr. Miller said all the employees involved ratified the agreements. All agreements will run through September 30, 2014. There was a wage increase of 3.25 percent, this coincides with the increase already in the ATU contract.

Mr. Miller said the second item was a discussion with Mr. Scanlon on a follow-up item to his performance evaluation last fall. The Board has been briefed and there will be further reports as part of his evaluation this fall and into the spring. There is no action to be taken.

Meeting adjourned at 4:06 p.m. in memory of Mr. Winters.
