

BUS STOP IMPROVEMENT PLAN

SamTrans is making a plan to improve our bus stops!

The Bus Stop Improvement Plan will:

ANALYZE EXISTING BUS STOPS

so we have data on what each bus stop looks and feels like.

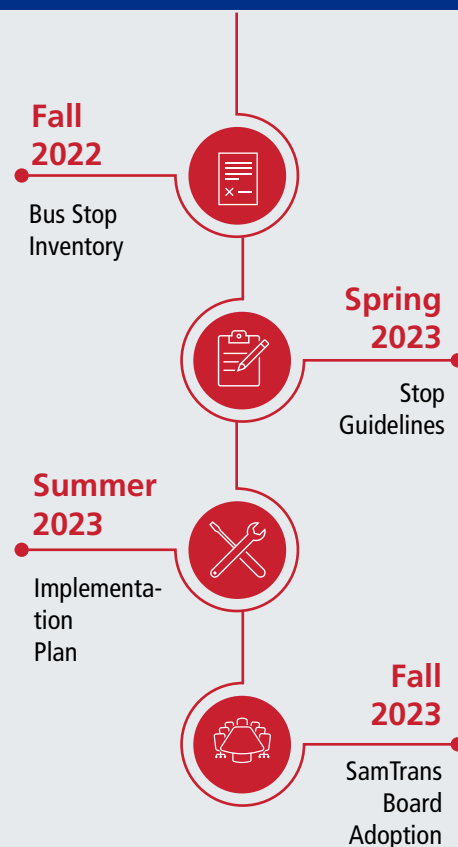

CREATE CLEAR DESIGN GUIDELINES

to help make bus stops more consistent and provide the amenities that are most important to our riders.

DEVELOP A PROCESS WITH LOCAL GOVERNMENTS

to identify and implement bus stop improvements.

We want to hear from you!

Take our 5-minute survey to let us know what bus stop improvements are the most important to you. Survey open through April 30, 2023.

For more information, contact the project team or check out our website.
