It is 4:30am, our windows are closed, and this PA system is waking up our whole house. This is not right!!!

Please shut it down!!!

Martin

Dear Caltrain and SamTrains Boards,

I am having an issue with the volume of the Caltrain Univ Ave PA System, that is not being addressed via Caltrain Customer Service. I have written to Sarah Nabong multiple times, but nothing is being done.

The issue is two-fold: 1) the volume of the station PA system is so loud, that it is heard through our soundproof glass, a block away, and 2) the continuous automated messages (every minute or so), are going on into the night, past 2 - 3am. We are not able to sleep, with this continual interruption.

Can you please have the PA system volume turned down, to only be hear in it's immediate vicinity?

Thank you,
Martin
