Hello SamTrans CAC Members,  
**Measure W Citizens Oversight Committee (COC)**

The San Mateo County Transit District (SamTrans) is looking to fill a vacancy on its Measure W Citizens Oversight Committee (COC) representing the SamTrans CAC. SamTrans COC was formed in accordance with the passage of Measure W.

The committee oversees administration of Measure W to ensure that tax proceeds are invested in a way that is consistent with the Measure's voter approved Congestion Relief Plan. The committee is composed of 15 volunteer representatives from various segments of the community and acts in an advisory capacity to the SamTrans Board of Directors.

In 2018, San Mateo County voters approved Measure W, a 30-year half cent sales tax beginning July 1, 2019, through June 30, 2049, to improve transit and relieve traffic congestion. SamTrans levies the tax and administers 50% of the program, and the San Mateo County Transportation Authority (TA) is responsible for administering the remaining 50% of the measure.

Terms are for three years, and there are roughly 3-4 meetings per year. More information about the COC [here](#).

Hello fellow members of the CAC,

On Sunday (September 28th), Dylan Finch and I are hosting an event to showcase how SamTrans can be used to "go where you want to go" (a nod to the old SamTrans jingle). Specifically for this event, we'll be going to the coast in Pacifica. Since the role of the CAC is to represent riders, this is a great way to meet riders, and perhaps ride a new route you may not have considered trying. We've also invited a few Board members to join for a few stops, so this will be a fun, great event with lots of people who help keep SamTrans moving (including CAC members!). We're meeting at Daly City BART at 10:15 AM to catch the 110 bus to Pacifica, and we should be back in Daly City at 1:40. There's more detailed information about the route linked here: <https://actionnetwork.org/events/go-where-you-want-to-go-pacifica-via-samtrans> .

Hope to see members of the CAC at the event!

I do want to note that this is not an official SamTrans event, and is rider organized.

Thanks,
